INSTRUCTIONS

During the past years we have shipped our **LINING OUT STOCK** all over the United States, from Pacific to Atlantic Coast. Our careful manner of packing and the excellent quality of our stock has proven satisfactory and successful.

Cash account: Cash before shipment 10%.

C. O. D. 25% of amount of order to be remitted in advance of shipment, balance C. O. D.

Charge Account: Our terms are strictly 30 days net to customers who have established their credit with us. New charge accounts opened only upon receipt of satisfactory references.

Packing: Our packing is free of charge. For long distance shipping by express plants are shipped bare rooted in moss. Plants out of pots are wrapped separately in paper to reduce express charges.

Prices: As quoted are F. O. B. Inglewood, California.

Claims: No claims will be entertained unless proof of our negligence can be furnished satisfactory.

TRADE PRICE LIST

ARAUCARIA IMBRICATA: (Monkey Puzzle). Rather slow growing, with heavy much divided branches arranged in symmetrical whirls. The leaves are imbricated and scale-like, very dark rich green in color. 6-8 inch in 4 inch pots, 50c each.

ARAUCARIA BIDWILLI (Bunya-Bunya Tree). Exceedingly handsome tree for a lawn specimen, growing into a perfect pyramid. The leaves are sharp-pointed thick and shiny dark color. 5-7 inch in 4 inch pots, 50c each.

CHAMAECYPARIS LAWSONIANA ALUMII (Blue Lawson Cypress). The best blue Lawson Cypress, compact and columnar, with glorious foliage of striking blue metallic hue. 5 inches rooted cutting. 100, \$5.00; 1000, \$45.00.

Out of flats: 100, \$7.00; 1000, \$60.00. 8-10 inch in 2¼ inch pots: 100, \$9.00; 1000, \$80.00.

CHAMAECYPARIS LAWN WISELI (Weissiana). Pyramid dense form. Almost horizontally spreading branches; nodding tips. 4 inch rooted cuttings, \$10.00; 5-6 inch in 2¼ inch pots, \$15.00.

CHAMAECYPARIS LAWSONIANA AUREA (Golden Lawson Cypress). A symmetrical compact pyramidal plant with broader golden foliage. 5-inch rooted cuttings, \$8.00 per 100; 4-5 inch in 2¼ inch pots, \$10.00 per 100; 5-7 inch in 3 inch pots, \$15.00 per 100.

CUPRESSUS SEMPERVIRENS (Italian Cypress.) Tall, narrow, compact, columnar, our plants are grown from cuttings only; so all be absolutely uniform and true to type. 5-inch rooted cuttings, 100, \$6.00; 1000, \$50.00. 8-10 inch in 2¼ inch pots, 100, \$9.00; 1000, \$80.00. 6-8 inch once transplanted, 100, \$8.00; 1000, \$70.00.

JUNIPERUS CHINENSIS (Variegata Prostrata) Spreading juniper suitable for rock garden planting. The tips of the branches are white. 4-5 inch in 2¼ inch pots, 100, \$15.00.
